

# MASTER OF ACCOUNTANCY (MAcc)

The Gonzaga Master of Accountancy (M.Acc) program provides a strong framework of courses promoting development and enhancement of the intellectual, technical, analytical, and interpersonal skills, which are critical in today's business environment. The M.Acc program is intended for those who are looking to pursue a career in public accounting or in industry.

Current Gonzaga undergraduate students may apply for the Accelerated M.Acc program once they have received a grade for ACCT 360 Intermediate Financial Accounting I. If accepted into the program, they may take up to nine credits of graduate-level courses during their senior year with the permission of the program director. To be considered for admission for the Accelerated M.Acc, students should maintain a minimum GPA of 3.0 in upper division accounting courses and a minimum cumulative GPA of 3.20.

## Admission Requirements

### Application for Graduate Students

- Students applying to Gonzaga University must submit Gonzaga's Graduate Application, which can be accessed online at <https://www.gonzaga.edu/gradapply> (<https://www.gonzaga.edu/gradapply/>)
- Along with the application for graduate study, each program at Gonzaga has distinct admission requirements. Please refer to the table below to view that detailed information.

## M.Acc Prerequisite Requirements

M.Acc students are required to complete the following prerequisite coursework:

- Intermediate Financial Accounting 1 & 2
- Cost Accounting
- Principles of Taxation
- Auditing

Prerequisites may be taken after admission into the program and may be waived at the discretion of the program director.

Admitted students must consult with their graduate academic advisor before registering for their first semester in order to evaluate their prerequisites and to develop a plan for completing any that are needed.

Prerequisite course credits are not counted toward the graduate degree program credits. They must be taken in addition to the 30 credits required for the M.Acc degree.

## M.Acc Prerequisite Grading Policy

The MACC 500 prerequisite courses are Satisfactory/Non-Satisfactory. If a student earns a "C-" or lower in a MACC 500 level course, it will be

treated as Non-Satisfactory (NS) and no credit will be given. The "NS" grade has the same effect on the GPA as an "F" (failing) grade.

## CLEP Exam Grading Policy

A 50 scaled score is required to pass (75%).

## Program Requirements

A total of thirty (30) credits of graduate coursework is required for the Master of Accountancy degree. Students must maintain a 3.00 or better grade point average.
